HTML CSS Java Script Phyton SQL API
Proactive Independent Worker

Relevant Courses

Codecademy – Full-Stack Engineer
Cisco Networking Academy – Phyton

Certification

Cisco 200-901 DEVNET

Profile

Aspiring Networking and VOIP with over 10 years of experience in Cisco products and certified by CISCO CCNA DEV & CCNP. Recently, I pivoted my career from Technician in VOIP communication to website design due to my passion for web space development and problem-solving abilities.

Currently, I focus on studying Full Stack Engineer on Codecademy.
